Cadet Training School - Selection of candidates - Procedure

Read: Memorandum No.3166.II/42, dated 5-8-42.

It has been brought to notice that applications for admission to the Cadet Training School, Madras are forwarded to the Provincial Selection Board by some of the Collectors without their remarks and without the reports of the District Superintendents of Police, and the views of the District Recruitment Sub-Committees, regarding the suitability of the candidates. The Government desire to stress that applications for the Cadet Training School are in no way different from those recived for the King's Commission. In order to enable the Provincial Selection Board to judge a candidate's suitability for a King's Commission after training in the Cadet Training School, the following instructions are issued:-

(1) Every candidate, who applies for admission to the Cadet Training School, should satisfy the Collector and the District Recruitment Committee, that he will be suitable for a King's Commission after his training in the Cadet Training School.

(2) The Collectors should make a definite recommendation on these lines in the applications forwarded to the Provincial Selection Board.

(3) The reports of the District Superintendent of Police or the Commissioner of Police as the case may be should be forwarded with the applications.

2. The Collectors are also requested to sign the recommendatio themselves and send them confidentially to the Secretary, Provi Selection Board, Madras.
